Ignite YQL 2018: Bright Now!  
Wednesday, October 24, 2018

Sponsored by RBC

We're excited to host the second annual Ignite YQL event and will be announcing this year's presenters soon!

In this fast-paced, energetic format, presenters get 20 slides which automatically advance every 15 seconds, resulting in an impactful presentation in just 5 minutes. We're looking for 8-10 presenters willing to take on this challenge and deliver a passion pitch about what they are doing, living and building that is making a positive impact in the community, right now and for years to come.

The 2017 Ignite YQL was enjoyed by attendees and proved to be a great experience for our 10 presenters. If you missed the event last year, you can view the [2017 videos here](#).
