Lethbridge Sports: A Local Lens

Colin highlights the many sport activities in Lethbridge and captures key moments for the brightest stars in our sports scene.

Colin Moreland owns Moreland Professional Projects and MPP Photography here in Lethbridge. MPP Photography provides game day and event photography for all of the U of L Pronghorns teams, the Hurricanes, Bulls, and many tournaments that are hosted in Lethbridge. Colin's passion for photography has been a lifelong pursuit, however he made the jump to professional work in 2013 after intensive instruction and coaching from National Geographic photographers during an expedition to the Galapagos Islands. His work can be seen all around town in the Hurricanes promotional material and has been distributed across Canada through various publications. Outside of being a photographer, Colin runs a consulting firm providing Project Management Office development, Strategic Planning, and executive coaching support to businesses around the world. He is an active philanthropist and has close ties with the Lethbridge Symphony, Family Center, and the Chinook Regional Hospital Foundation. For his contributions to building the Lethbridge community, Colin was recognized by the Chamber of Commerce with a Top 40 Under 40 Award for 2017-2018. He is a new father, cancer survivor, and avid wine collector.
