

Andrea Sandul

Why Lethbridge is Awesome!

Andrea is an Entrepreneur who supports Entrepreneurs and encourages them to get invested and connected in the community. The investment is well worth it!

Born and raised on the Prairies, Andrea put down roots in Lethbridge 11 years ago and now considers it home. She and her husband Tim love doing business, living, working and raising their daughter in Lethbridge. They own and operate 2 businesses together in the downtown core: Equilibrium Business Services (Est 2013), The Port Coworking Space (Est 2016).

The newest addition to the roster is Mortar & Brick Arts|Events (Est 2018) – a joint venture with Cheryl Baxter of The Hive Gallery|Gatherings in Canmore, AB.

Her vision is to encourage growth, connect with and help others connect, and see Lethbridge become a place people are drawn to as a vibrant community, filled with life.
